

2021 Foundation to Year 12 Enrolment Handbook

Welcome to Virtual School Victoria

Virtual School Victoria (VSV) is Victoria's leading virtual school. Located in Thornbury, we offer our online courses to almost 4500 students from Foundation to Year 12. More students study at VSV than any other school in Victoria.

Our students come from diverse and unique backgrounds. We provide education to a range of students with varying personal circumstances who are unable to attend full-time mainstream schooling. Central to our mission of providing virtual learning is a commitment to engagement and inclusion, regardless of each student's background or circumstances.

As our name suggests, we teach the curriculum using virtual and blended learning. We describe virtual learning as gaining knowledge or skills through study, experience, collaboration and teaching through the medium of information and communication technologies. Our online learning environment, VSV Online, allows for flexible, engaging and self-paced learning. This is complemented with blended learning – a mix of virtual and face-to-face teaching and learning – to provide our students with a highly personalised experience.

The teachers at Virtual School Victoria are experts in their field as well as in digital learning. They are dedicated to building the knowledge, confidence and resilience of every student. We take pride in helping our students prepare for university, higher learning or employment beyond their schooling.

Virtual School Victoria's learning programs are rigorously developed using best practice virtual learning techniques and user experience testing.

Whatever your reason for considering an enrolment with us, I encourage you to read the information in this handbook, as well as the subject information available on our website.

If you or your family would like to learn more about VSV and virtual learning, or have any other questions, our enrolment staff are here to help and provide confidential advice online, over the phone or in person.

Best wishes for your studies with us,

Bretton New

2021 Enrolment Information

For Year F-12 students enrolling directly with VSV

What is VSV?

As the state's leading virtual school, Virtual School Victoria (VSV) provides flexible learning opportunities to a diverse and unique cohort of Victorian Foundation - Year 12 (F-12) students. We foster a safe, engaging and inclusive learning environment by coupling state-of-the-art technology with innovative and adaptive teaching practices. Our teachers are trained and experienced in best-practice online learning techniques, providing students with regular interaction and individualised support. We are focused on challenging students to pursue excellence and achieve their individual learning goals.

In 2016, we launched Australia's first F-12 pedagogical model for online learning. At the end of 2018, the Minister for Education, James Merlino, announced our new name and the key role Virtual School Victoria will play in the department's state-wide initiative to provide every student access to every subject – regardless of where they live or go to school. We are a system leader in online, virtual and blended learning, constantly evolving our practice based on the latest research. We adopt a whole-school approach to student wellbeing and have a resolute commitment to health promotion and child safety. We are dedicated to do all that we can in order to build the confidence and resilience of every student.

What is virtual learning?

VSV defines virtual learning as gaining knowledge or skills through study, experience, collaboration and teaching through the medium of information and communication technologies.

Learning virtually is very different to mainstream schooling. VSV students have the flexibility to learn in a way that is not always possible in a 'bricks and mortar' classroom. Students can work at their own pace to complete set learning activities without distraction. They also collaborate with peers in our secure online environment.

VSV students have access to a range of structured learning materials available online. Online classes and face-to-face seminars are held regularly in many subjects, providing further opportunities to connect and collaborate with peers. Teachers are available to speak to students in person, over the phone or online.

Some families find a shared enrolment provides opportunities to maintain social connections with other students and teachers. Shared enrolments can also enable students to continue receiving school-based support.

The time needed to set aside each week depends on how many subjects are being studied. If enrolled in a full-time learning program, students can expect to be devoting the same amount of time to study as students in mainstream schools. VSV students set up their own weekly timetable and complete set weekly work.

There is a strong link between attendance in online classes, and improved learning and engagement outcomes. It is an expectation that wherever possible, students will participate in scheduled online classes.

What will students learn?

In Years F-10, VSV's learning programs are in line with the Victorian Curriculum. In Years 11-12, VSV follows the curriculum set by the Victorian Curriculum and Assessment Authority (VCAA) in our wide range of VCE subjects. Learning programs are organised into manageable segments. Students are guided through the subjects they are studying and provided with tasks to complete, which are then assessed by teachers and returned with feedback.

Personalised learning plans are developed for all VSV students, regardless of their age or ability, so students can be engaged and challenged. When required, a personalised support plan is also developed around the learner.

Are there any social opportunities at VSV?

VSV offers a variety of social opportunities for students. We offer annual camps for students in Years 7-12, subject seminars, VSV Clubs and Connect Days each term. Our Games Club is very popular with students and is celebrated on Games Day. These provide students with the opportunity to meet their peers and build friendships. Students also have many opportunities to interact in a safe and monitored online environment.

VSV's Student Voice team is an excellent way for students to get involved with VSV, connect with other students and improve their confidence and teamwork skills. Student Voice runs a number of projects throughout the year, which students are encouraged to contribute to. This is a space for students to have a voice in their school. To find out more, go to the Student Voice page on VSV Online. If students would like to join the team, please send an email letting us know name and year level to studentvoice@vsv.vic.edu.au

Careers

Every student in Years 7–12 in Victorian Government schools participates in activities that develop their understanding of career choices. For many students, this includes the maintenance of a Career Portfolio over the course of each year, that supports the development of their understanding of the skills and capabilities needed to make informed decisions about career direction. The careers program at VSV includes access to career exploration resources, workshops at Years 7 and 8, a My Career Insights interview at Year 9, and industry exposure programs.

What role do parents/carers play?

VSV parents and carers play an essential role in supporting and encouraging their children to learn. This can include ensuring a suitable study space is available, setting and maintaining timetables, encouraging regular study habits and fostering effective communication with VSV staff. VSV teachers work in partnership with parents. Teachers will provide up-to-date learning and engagement information to parents and carers to support them to take an active role in their child's education.

VSV Connect is an area on our website where parents, carers and supervisors can view information about a student's progress at VSV. Once registered and logged in, parents/carers will be able to find details about the:

- subjects the student is completing
- recent work the student has submitted and the feedback received
- teachers' contact details
- individual student reports.

To access VSV Connect, parents/carers need to enter a valid email address in the Primary Family Information section of the enrolment application. Contact with VSV Family School Action Team can be made by emailing us at parentvoice@vsv.vic.edu.au

Will internet and computer access be required?

All students enrolling at VSV require regular and reliable access to a computer/device and the internet. Students will need to log in to VSV Online (the school's learning management system) to communicate and submit work online regularly. They are expected to participate in multiple areas of the online courses, including online classes, forums and interactive activities. All student reports are only available online.

To have the best experience at Virtual School Victoria, students should have a device that is able to join live classes with a camera and a microphone. It is also recommended that they have a device with a physical keyboard to easily take notes and respond to communication.

Most desktops or laptops are compatible with VSV Online and our online classrooms. Please keep in mind that for some subjects, a smartphone, tablet or Chromebook will be insufficient to meet the needs of the study. Where possible, it is recommended that more than one device is available if more than one child is enrolled at VSV in the same family.

For a full list of minimum technical specifications, please see www.vsv.vic.edu.au/enrolment/technical-requirements-specifications/

For further information about the technological requirements for individual subjects, see www.vsv.vic.edu.au/subjects

2021 Enrolment Information

For Year F-12 students enrolling directly with VSV

Does VSV charge enrolment fees?

There are no enrolment fees for students who are eligible to directly enrol with VSV.

Will textbooks need to be purchased?

Some of our subjects require either digital or physical textbooks and/or other resources to be purchased. Our Resource List for 2021 is available at www.vsv.vic.edu.au/enrolment/book-resource-lists/

Our recommended textbook supplier is:

Campion Education

94 McEwan Road, Heidelberg West, VIC 3081

Phone: 1300 433 982 **Website:** www.campion.com.au

Campion delivers throughout Victoria and has provision for interstate and overseas delivery. It is important that textbooks are ordered as soon as possible upon enrolment.

Textbooks can be ordered online at <https://order.campion.com.au/index.html#signInView>
Please sign in or register a new account, and enter the Resource List code **ZDDN**.

Is it possible to receive a Government Allowance while at VSV?

Students or their parents/carers may be eligible for government allowances while studying at VSV. Centrelink administers student assistance payments for Youth Allowance, Austudy, Abstudy, Assistance for Isolated Children (AIC) and Pensioner Education Supplement (PES) for eligible students.

Parents or students who hold a Commonwealth Pensioner Health Benefits Card, a Commonwealth Health Care Card or a Commonwealth Health Benefits Card on the first day of term one, may be entitled to some Government allowances. These allowances are also payable to legal guardians, foster parents and T&PI pensioners. If you believe that you are entitled to any Commonwealth Government payments, contact your Centrelink office:

Family and Parents Line: 136 150

Youth and Student Line: 132 490

Abstudy Line: 1800 132 317

Assistance for Isolated Children (Youth and Students Line): 132 318

Students and their parents/carers should be aware that VSV is required by law to supply an audit report to Centrelink each term on student enrolment status and work submission rates. Students receiving Centrelink payments who fail to submit work according to the prescribed timetable may be reviewed by Centrelink, which may affect their entitlements and create a debt to repay.

We recommend speaking to Centrelink directly for further details or visiting the Centrelink website for more information www.humanservices.gov.au

Can students study a language other than English?

Languages other than English are offered by the Victorian School of Languages (VSL). The VSL operates separately to VSV, but many of our students choose to study languages with them. The VSL is also located at 315 Clarendon St, Thornbury, Victoria.

The VSL application form is part of the VSV enrolment application. This form needs to be completed and submitted to VSV, along with the rest of the application. Once the enrolment with VSV has been approved, we will send the language application to the VSL.

The languages available include Arabic, Chinese, Classical Greek, French, German, Greek, Hindi, Indonesian, Italian, Japanese, Latin, Punjabi, Spanish and Vietnamese. The VSL also offers face-to-face classes in 50 languages in Years F-12, held out of school hours, in 32 metropolitan and 9 regional centres. For more information, please visit the VSL website at www.vsl.vic.edu.au

When can students start?

VSV operates on the same term dates as all other Victorian Government Schools.

The dates for 2021 are:

Term 1: 28 January to 1 April

Term 2: 19 April to 25 June*

Term 3: 12 July to 17 September

Term 4: 4 October to 17 December

The school year is broken into two semesters. For F-10 students, Semester 1 includes Term 1 and Term 2. Semester 2 includes Term 3 and Term 4.

*For 11-12 students, Semester 1 commences on **Thursday 28 January**. Semester 2 commences on **Tuesday 15 June**, two weeks before the end of Term 2

F-10 Enrolments

For students enrolling in Years F-10, enrolments are open from **Monday 12 October 2020 until Friday 23 July 2021**. Students intending to start the school year at VSV are encouraged to submit their enrolment application as early as possible to enable them to commence at the start of Term 1.

11-12 Enrolments

For Year 11 and 12 students, enrolment applications are open for the following periods:

Semester 1:

Enrolments open: **Monday 12 October 2020**

Semester starts: **Thursday 28 January 2021**

Late enrolments will not be accepted after: **Friday 5 February 2021**.

Semester 2: Year 11 subject enrolments only:

Enrolments open: **Monday 26 April 2021**

Semester starts: **Tuesday 15 June 2021**

Late enrolments will not be accepted after: **Friday 18 June 2021**.

11-12 Mid-Semester Transfers

Transfers from other schools may be accepted outside these dates in some circumstances. Please email enrol@vsv.vic.edu.au to contact the VSV Enrolment Team for more information.

Who to contact?

If there are questions or concerns about the enrolment process, please contact the VSV Enrolment Office. For subject selection advice, contact the relevant Student Coordinator.

Eligibility Criteria

For direct enrolment with VSV for new and continuing students

Who can enrol at VSV?

VSV exists to meet the educational needs of Victorian students whose circumstances prevent them from accessing full-time mainstream schooling. In order to directly enrol with VSV, students must meet the criteria of one of the six enrolment categories outlined.

Enrolment under each category requires documented evidence to be submitted with the application. The evidence required for each category varies. Enrolment applications without all of the required documentation cannot be approved.

A staged approach to the implementation of the rollover of enrolments is being trialled in 2021 with a small number of returning students in selected enrolment categories. VSV will be directly contacting students who are eligible for enrolment rollover. All other returning students must complete a new application form and supply updated supporting documentation to VSV.

Students in mainstream schools

Students wishing to maintain their current enrolment in a mainstream school and complete one (for 7-10 students) or two (for 11-12 students) subjects not available at their school, can apply by completing the application forms in the *Students in Schools* Enrolment Handbook at www.vsv.vic.edu.au/enrolment/students-in-other-schools/

Alternatively, VCE Student in Schools subject applications can be completed via VSV's online enrolment page.

1. Victorian residency

Enrolment at VSV is subject to Department of Education and Training (DE&T) guidelines and is only available to Victorian residents. A resident is a person with a permanent residential address in Victoria. The onus is on the enrolling student's family to provide proof of their residency. Victorian residents temporarily travelling overseas or interstate are eligible to apply.

2. Minimum enrolment period

Enrolment is available to all eligible Victorian residents who are unable to access regular schooling for a minimum of two consecutive school terms or six consecutive months within a single school year.

3. Proof of age

All students must submit their proof of age with their enrolment application. This can include a copy of a birth certificate, passport, or a driver's licence. In some circumstances, certified copies may be requested.

Pre-enrolment interview

In certain circumstances, in order to optimise student engagement and learning outcomes, VSV may deem that a face-to-face interview is required prior to approving an enrolment application. If this is the case, the student or their parent/carer will be contacted after they have submitted their application to schedule a time. This may result in a delay in the approval of the enrolment at VSV.

Enrolment Categories

Category 1: Medical

1a. Medical (Physical)

Students enrolling in this category must have a specialist diagnosis of a physical disability that restricts their ability to attend a mainstream school for a period of six months or more.

Evidence required:

A School Referral Form

The student's most recent school must complete this form, outlining the student's prior schooling experience, the supports that have been put in place for the student, and a recommendation regarding the suitability of an enrolment with VSV. If the student is not at school, a Practitioner/Agency Referral Form is required confirming their situation.

A Practitioner/Agency Referral Form

A **specialist practitioner/agency** in the relevant field must complete this form, outlining how the student's diagnosis and/or treatment prevents their attendance at a mainstream school, how this condition and treatment may impact upon their ability to engage with study, what continuing treatment or support will be provided, and which professional will be coordinating the care plan for this student. In situations where an agency is also involved with a student, applicants are asked to provide an additional copy of this form, completed by the agency.

1b. Medical (Social/Emotional)

Students enrolling in this category must have a diagnosed mental health or social emotional difficulty, meaning it is not possible for them to attend mainstream school for an extended period of time.

VSV recognises that an important prerequisite for successful engagement with education is the establishment of effective ongoing treatment and support for mental health and social emotional difficulties. **Students must demonstrate they are receiving ongoing professional treatment and/or support for their condition/s.** The referring practitioner/agency must commit to coordination of the care plan for this student.

Evidence required:

A School Referral Form

The student's most recent school must complete this form, outlining the student's prior schooling experience, the supports that have been put in place for the student, and a recommendation regarding the suitability of an enrolment with VSV. If the student is not at school, a Practitioner/Agency Referral Form is required confirming their situation.

A Practitioner/Agency Referral Form

A **specialist practitioner** (psychologist, psychiatrist, or social worker) or an agency working with the student, must complete this form, outlining how the student's diagnosis and/or treatment prevents their attendance at a mainstream school, how this condition and treatment may impact upon their ability to engage with study, what continuing treatment or support will be provided, and which professional will be coordinating the care plan for this student.

Category 2: Travel

Students enrolling in this category must be Victorian residents who are unable to attend a mainstream school because they are travelling within Victoria, Australia or overseas. Travel may be required due to a parent's/carer's work commitments or an extended family holiday. Following the period of travel, the student must recommence enrolment at a mainstream school in Victoria.

Evidence required:

A letter from the student's most recent school

A letter from the student's most recent school is required confirming:

- (a) the student was/is enrolled at the school
- (b) the student has left or is leaving for the purpose of travel
- (c) the expected date that the student will return from travel and recommence enrolment at a mainstream school
- (d) any supporting information if the student has learning difficulties, disabilities or health conditions that may impact on learning.

A letter from a parent's/carer's employer

This needs to outline the period of employment where the parent/carer is expected to be out of Victoria and/or travelling. A Statutory Declaration is also required when travel is due to parent's work and they are self-employed. **OR**

A certified Statutory Declaration

This needs to be signed in front of an authorised witness, and must detail:

- (a) the proposed itinerary of travel/work
- (b) the nature of the travel (e.g. work or family holiday)
- (c) the expected date of return.

It is expected that students who have been, or expect to be, based in a location interstate or overseas for more than two years should enrol in a mainstream school in the location where they are based. Students who have been enrolled at VSV under the Travel category for two or more years are required to seek approval from VSV to continue their enrolment by resubmitting the supporting documentation. Approval is at the discretion of VSV's Principal.

Category 3: Sports/Performance

Students enrolling in this category must have elite sporting or performing arts commitments preventing them from attending mainstream school. These commitments may include performance or training commitments during regular school times, or extended interstate/international travel for training, competition or performance.

Evidence required:

A letter from the student's most recent school

A letter from the student's most recent school is required confirming:

- (a) the student was/is enrolled at the school
- (b) the student has left or is leaving for the purpose of sports/performing arts commitments
- (c) in their view, Virtual School Victoria is an appropriate alternative educational experience
- (d) any supporting information if the student has learning difficulties, disabilities or health conditions that may impact on learning.

A letter from the sporting/performing arts association/agent

A letter from the student's sporting/performing arts association/agent is required confirming:

- (a) the student is involved or competing in elite level sport or performing arts
- (b) the student's performance/training schedule prevents them from attending mainstream school
- (c) in their view, Virtual School Victoria is an appropriate alternative educational experience
- (d) evidence that agents/individuals hold a current Working with Children Check and/or third party organisations are compliant with the Child Safe Standards policies (copies of original documents)
- (e) contact details of a sporting/performance supervisor who is authorised to liaise with VSV regarding student progress including name, organisation, phone, email and address.

In 2016, the Child Safe Standards were implemented in Victoria for all organisations, including schools, which work with children and young people. Like all Victorian schools, Virtual School Victoria works hard to ensure student safety and wellbeing but we must be vigilant to ensure effective arrangements are in place to manage and reduce the risk of child abuse. Parents/carers of students enrolling in the Sports/Performance category frequently engage third party organisations and/or individuals prior to enrolling their child at Virtual School Victoria. Parents/carers are reminded that all organisations that work with children are required to be compliant with the Child Safe Standards, and/or third-party individuals hold a current Working with Children Check.

Enrolment Categories

Category 4: Distance

Students enrolling in this category must be Victorian residents who live in a remote area where it is not feasible to travel to a local mainstream Government School. The requirements for enrolment in this category vary depending on the age of the student. The following minimum distance requirements must be met:

Students over nine years of age who live more than 4.8 kilometres from the nearest Government School and the nearest bus route.

Students under nine years of age who live more than 3 kilometres from the nearest Government School and the nearest bus route.

Evidence required:

A letter from the closest Government School

This letter should confirm the student's current residential address, and that this address meets the minimum distance requirements outlined above.

Families or schools should provide supporting information if the student has learning difficulties, disabilities or health conditions that might affect their learning

Category 5: Young Adult

Students who are at least 17 years of age and under 21 years of age at the beginning of the semester they wish to commence in on 1 January 2021, may enrol in a VCE course of study with VSV.

Evidence required:

A Young Adult Referral Form

This form needs to be completed by either:

- (a) the student's previous school
- (b) a treating general or specialist medical practitioner
- (c) an agency working with the student or their family.

This form should outline the student's prior schooling experience, the supports that have and will be put in place for the student, and a recommendation regarding the suitability of an enrolment with VSV. The application should provide supporting information if the student has learning difficulties, disabilities or health conditions that might affect study.

Students enrolling in this category must complete the Student Enrolment Information page in their application. This should outline why they feel that VSV and online learning is the most appropriate educational option for them rather than studying at a mainstream school, TAFE or other educational provider.

Category 6: Previous Home Schooler

Students who are currently registered for home schooling with the VRQA for 12 months or more, and have made a decision to return to a government registered school for their senior years (Year 10, Year 11 or Year 12), can apply to enrol directly into a Year 10 or VCE program with VSV in 2021.

Evidence required:

Confirmation of previous home schooling

Demonstrating registration with the VRQA, or an equivalent authority in other states, for the previous consecutive period of 12 months or more.

Confirmation of home schooling deregistration from the VRQA (or interstate equivalent)

Please note: It is not possible to be both registered for home schooling and be enrolled as a VSV student at the same time.

Students will need to make an appointment to attend Virtual School Victoria (315 Clarendon Street, Thornbury) to complete two one-hour long, computer-based moderated assessments looking at their literacy and numeracy capabilities as part of the enrolment process. To make an appointment, please email the Enrolment Office at enrol@vsv.vic.edu.au. Parents/carers will need to propose a date and time during school terms, arriving between 9am and 2pm. VSV staff will confirm this date and time.

Students who are in a chronological year level lower than Year 10, or have less than 12 months of registered home schooling, will be required to meet one of our other eligibility criteria to be eligible to enrol at VSV.

Primary Enrolments

It is important that all F-6 students visit VSV with their parents for an interview to meet their teachers and have their learning needs assessed so we can select an appropriate individual learning program for the student.

Before the interview, complete and return the enrolment forms (including any required referrals, reports and supporting documentation) to the VSV Enrolment Office. Once processed, you will be contacted to arrange a mutually convenient time to meet your child's future class teacher.

For the interview please bring:

- your child(ren)
- your child's most recent school report.

If it is not possible to physically visit VSV, it is important that you speak to the F-6 Student Coordinator and send a copy of your child's last school report with your enrolment application. This will ensure that an appropriate learning program can be selected to suit your child's individual needs.

Children commencing primary school in Foundation (Prep) must be five years of age or older by 30 April of the year they start school.

VSV recognises that a shared enrolment is often a viable option to provide a strong framework for sustaining wellbeing supports and learning outcomes for students. For further information, please see [page 53](#).

Learning in a Virtual World

Digital Learning at Virtual School Victoria

VSV uses online services to support a high quality and innovative online learning environment. Learning in a Virtual World: Digital Learning at Virtual School Victoria is our plain language policy statement about student participation, privacy compliance and copyright components of digital and online learning at our school. The policy statement can be accessed at www.vsv.vic.edu.au/our-school/virtual-school-victoria-policies/

Online Acceptable Use Agreement

This agreement applies to all students undertaking study at VSV. It is a condition of enrolment that the Student Enrolment Agreement on **page 29** is signed, agreeing to this. Please note that Virtual School Victoria may monitor and keep records of online use.

When engaging with my school work, either at Virtual School Victoria or at home, I agree to be a safe, responsible and ethical user at all times by:

- respecting others and communicating with them in a supportive manner; never writing or participating in online bullying (e.g. forwarding messages and supporting others in harmful, inappropriate or hurtful online behaviours)
- protecting my privacy; not giving out personal details, including my full name, telephone number, address, passwords and images
- protecting the privacy of others; never posting or forwarding their personal details or images without their consent
- contacting a teacher or a trusted adult if I personally feel uncomfortable or unsafe online
- contacting a teacher or a trusted adult if I see others participating in unsafe, inappropriate or hurtful online behaviours
- contacting a teacher or a trusted adult if someone writes something I don't like, makes me and/or my friends feel uncomfortable or requests information from me I know is private
- carefully considering the content that I upload or post online; knowing that this is a personal reflection of who I am and what people may think of me
- investigating the terms and conditions of use of the websites I sign up to as part of the learning program (e.g. age restrictions, parental consent requirements) and if my understanding is unclear seeking further explanation from a trusted adult
- confirming that I meet the stated terms and conditions and completing the required registration processes
- respecting copyright and intellectual property laws and requesting permission to use images, text, audio and video and citing references where necessary
- using social networking sites for education purposes and directed by the school
- not downloading unauthorised programs, including games, while using the school's ICT equipment
- not interfering with network systems and security, the data of another user or attempting to log into the network with a user name or password of another student, parent/carer or school staff member
- not revealing my password to anyone including teachers or administrators at the school
- not deliberately entering or remaining in any site that has obscene language or offensive content.

In addition, when I use my personal mobile devices (including my phone), while engaging with my school work, I agree to be a safe, responsible and ethical user at all times by:

- respecting the privacy of others; only taking photos or recording sound or video when others are aware and formal consent has been provided as part of an approved learning program
- obtaining appropriate (written) consent from individuals who appear in images or sound and video recordings before forwarding them to other people or posting/uploading them to online spaces.
- respecting others and communicating with them in a supportive manner, including outside school hours and in social contexts by not making harassing phone calls/text messages or forwarding on messages

Privacy Information for Parents and Carers

During the ordinary course of your child's attendance at Virtual School Victoria, school staff will collect your child's personal and health information when necessary, to educate your child and/or to support your child's social and emotional wellbeing or health. Such information will also be collected when required to fulfil a legal obligation, including duty of care, anti-discrimination law and occupational health and safety law. If that information is not collected, the school may be unable to provide optimal education or support to your child or fulfil those legal obligations.

For example, health information may be collected through the school's social worker, psychologist or Student Wellbeing & Inclusion Coordinators. If your child is referred to a specific health service at school, such as a Student Wellbeing & Inclusion Coordinator, or school-engaged psychologist, the required consent will be obtained.

Our school may use online tools, such as apps and other software, to collect and manage information about your child. When our school uses these online tools, we take steps to ensure that your child's information is secure. These online tools enable our school to efficiently and effectively manage important information about your child and also to communicate with you. If you have any concerns about the use of these online tools, please contact us.

School staff will only share your child's personal or health information with other staff who need to know, enabling the school to educate or support your child, or fulfil a legal obligation.

When our students transfer to another Victorian Government School, personal and health information about that student will be transferred to that next school. Transferring this information is in the best interests of our students and assists that next school to provide optimal education and support to students.

In some limited circumstances, information may be disclosed outside of the school (and outside of the Department of Education and Training). The school will seek your consent for such disclosures unless the disclosure is allowed or mandated by law.

Our school values the privacy of every person. When collecting and managing personal and health information, all school staff must comply with Victorian privacy law. For more information about privacy including about how to access personal and health information held by the school about you or your child, see DET's information privacy policy at www.education.vic.gov.au/Pages/privacypolicy.aspx

The term, 'staff' refers to principals, teachers, Learning Advisors, Student Wellbeing & Inclusion Coordinators, social workers and any other allied health practitioners, as well as all other staff at our school. This includes employees, agents and service providers (contractors) of the Department, whether paid or unpaid.

Who to contact

Application Guide

Step-by-step guide to completing an application

In order to enrol at VSV, the following four tasks must be completed:

1. Identify an enrolment category

Students must identify which category they intend to enrol under, as outlined on the previous pages.

2. Gather supporting documentation

Different supporting evidence is required, depending on the enrolment category. Referral forms can be found at the end of this Enrolment Handbook.

Schools, specialist practitioners and outside agencies can return completed referral forms to the applicant so they can submit all enrolment documentation at once. Alternatively, they can send them directly to the VSV Enrolment Team.

All enrolment applications require the necessary supporting documentation:

- Completed Referral Forms/Evidence** (see the Eligibility Criteria section for information about which referrals/evidence are required).
- A copy of the student's Immunisation History Statement from the Australian Immunisation Register** (if enrolling in a Primary Level F-6).

What will happen once an application is submitted?

Determining eligibility

Once an enrolment application has been submitted, it will be reviewed by our Enrolment Officers to ensure the student meets our eligibility criteria. If it is determined that further evidence is required for the enrolment to be processed, VSV will communicate what is needed. Complex enrolment cases will be referred to our Enrolment Advisors who will be in contact.

Confirming an appropriate learning and support program

Once we have determined that the student meets our enrolment eligibility criteria, we will then consider the individual circumstances and determine the most appropriate personalised learning and support plan. It may be necessary for us to call the student, parent/ carer and/or the supporting practitioner in order to develop the most suitable program.

Providing online access

Once the student's details are entered onto our system, it takes another 48 hours for an enrolment confirmation to be emailed. This will be sent to all email addresses indicated on the application. This will include the student's login details to access VSV Online.

2021 Year F-6 Subjects

Once your enrolment has been processed, you will be contacted by your **class teacher**. Your child's class teacher will work with you for the rest of the year. Your teacher will start with an intake interview and help you complete an orientation/assessment module, which is the Introductory Module (Years F-2) or Launch Pad (Years 3-6). Following that, your class teacher will work with you to choose the learning program that suits you.

The structure of the F-6 curriculum is shown below. All subjects are compulsory but modifications can be made after a discussion with your child's class teacher.

Years F-2	Years 3-6
English	English
Maths	Maths
Integrated Curriculum	Humanities and Arts
	Science, Design and Technology
	Health and Physical Education

For all Primary Levels, you will need access to the **internet on a daily basis**.

Travelling families: Travelling families manage intermittent internet access by working through more than one day of the online modules at a time when internet access is readily available. Travelling families utilise free internet provided in libraries, cafes, etc. in order to access the online modules. Extended periods of not being able to access the internet should be discussed with the Primary Coordinator prior to enrolment.

Our modules are developed with the expectation that they take the following approximate times for completion:

Years F-2	Years 3-6
2 hours of English per day	2 hours of English per day
1 hour of Maths per day	1 hour of Maths per day
Up to 1 hour of Integrated Curriculum per day	1-2 hours of Health and Physical Education per week
	1 hour of Science, Design and Technology per week
	1 hour of Humanities and Arts per week

The above times depend on the individual learning characteristics of your child. If you find they are taking significantly longer or less time to complete than the above recommendations, you should discuss this with your child's teacher and they can make individual recommendations, e.g. subject modifications such as extension activities.

All year levels run online classes. It is recommended that your child attends when possible.

2021 Year 7 Subjects

Once your enrolment has been processed, you will be contacted by your **Learning Advisor**. Your Learning Advisor will work with you for the rest of the year. Your Learning Advisor will begin with an intake interview and help you to complete Launch Pad (orientation/assessment). Following that, your Learning Advisor will work with you to establish a subject load that suits you.

If you have particular needs, please complete the ‘Requested modifications to a full-time learning program’ box below and your Learning Advisor will be in touch after your enrolment to discuss this with you.

In Year 7, students participate in regular timetabled online classes, including a social emotional learning program. Online attendance is an expectation. If this is not possible due to personal circumstances, an exemption must be arranged with the Year 7 Student Coordinator.

Year 7 Subject Information

- A full-time learning program consists of **seven subjects in each semester**. You will also complete the Launch Pad orientation program.
- Subject descriptions for all subjects are available online at www.vsv.vic.edu.au/subjects

2021 Year 10 Student Personal Details

This form is to be completed by students enrolling in Year 10 who do not have a program enrolment on the Victorian Curriculum and Assessment Authority's Victorian Assessment Software System. Students using this form should not previously have had an enrolment in VCE, VCAL or the International Baccalaureate. Indicated names must be legal names as per their birth certificate.

VCAA Collection Notice for Students

The Victorian Curriculum and Assessment Authority (VCAA) is a statutory authority continued under the *Education and Training Reform Act 2006 (Vic)*. The VCAA collects the information requested in this form, which includes personal information within the meaning of the *Privacy and Data Protection Act 2014 (Vic)*, for the purpose of registering a student on the VCAA's database. This supports schools in preparing students for entry into VCE or VCAL by ensuring they capture as early as possible the required information for the administration of their VCE/VCAL education.

The personal information collected in this form will be disclosed to and used by relevant VCAA employees and/or contractors for and in connection with the above mentioned purpose. Personal information that is registered on the VCAA's database will also be accessible to the student's school. The personal information collected will not otherwise be used or disclosed by the VCAA, except with the prior consent of the individual, or if the VCAA is required or otherwise permitted by law to do so. If the requested personal information is not provided, an individual will not be able to be enrolled onto the database, this may slow or delay that individual's enrolment process when it comes to commencing VCE or VCAL.

An individual may request access to personal information the VCAA holds about them and request its correction if inaccurate. Initial enquiries regarding access to personal information held by the VCAA in relation to this form can be made by contacting the VCAA Student Records and Results Unit on (03) 9032 1742. The VCAA Privacy Policy can be found at www.vcaa.vic.edu.au/Footer/Pages/Privacy.aspx

Section A: Declaration

I declare that to the best of my knowledge the information recorded on this form is correct and complete and includes my legal names. I acknowledge that the VCAA accepts no responsibility for verifying information provided. I acknowledge that:

- (a) I have read and understand the VCAA COLLECTION NOTICE FOR STUDENTS as appears above.
- (b) Government school student personal information is provided to the Department of Education and Training's Performance Evaluation Division in order to comply with educational reporting requirements.
- (c) The email address I have provided on my enrolment form will be used by the VCAA for future communications with me, including the delivery of VCE results.

VCE Requirements

The VCE is the single qualification which marks the completion of senior high school. The VCE can be used as a credential for entry to employment and for promotion, or to qualify for selection into a university, college, or Technical and Further Education (TAFE) course.

The minimum requirement for the award of VCE is the satisfactory completion of 16 units, which must include:

- three units from the English group, with at least two consecutive units at Unit 3 and 4 level
- at least three sequences of Units 3 and 4 in subjects other than English, which may include any number of English sequences once the English requirement has been met.

Adult Students Returning to Study

Students must meet two criteria to be enrolled as an adult with the VCAA:

- be at least 18 years of age on 1 January, 2021
- have not undertaken full-time secondary schooling for the full year preceding the first year of enrolment as an adult
- part-time schooling is the equivalent of no more than seven units across the year.

To satisfy requirements for the award, the VCE students must satisfactorily complete at least eight units including:

- two consecutive units from the English group at Unit 3 and 4 level
- three sequences of Units 3 and 4 in studies other than English.

Australian Tertiary Admission Rank (ATAR)

The results of school-based and external assessments for Units 3 and 4 contribute towards a student's study score for each subject, and ultimately toward their Australian Tertiary Admission Rank (ATAR). The ATAR is used by tertiary institutions to compare the overall achievement of students in order to offer places in university courses. Satisfactory completion of both Units 3 and 4 of an English sequence and three additional Unit 3 and 4 sequences is required for the calculation of a student's ATAR.

How a student's ATAR is calculated:

- your best study score in any one of the Unit 3 & 4 English studies, plus
- your three next best Unit 3 & 4 study scores, plus
- 10% of the fifth and/or sixth 3 & 4 study (where available).

At most two results from any of the English, Mathematics, History, Contemporary Australian Studies, Information Technology, Languages and Music study areas can contribute to the primary four subjects that calculate your ATAR. Before selecting your subjects you should consider if there are any prerequisite subjects in order to be eligible for selection to a particular tertiary course. You can do this by accessing the VTAC guide online at www.vtac.edu.au

If you would like information on how to choose subjects that meets the minimum requirements for VCE completion, please see: www.vsv.vic.edu.au/students/senior-school/

Non-scored VCE

Students can complete their VCE without receiving an ATAR. They are required to demonstrate an understanding of each outcome and unit for satisfactory completion, however no achievement score is reported. Students will receive a satisfactory (S) or a non-satisfactory (N) for a unit. The minimum requirements of the VCE still apply. To request a non-scored program, please contact the Year 12 Student Coordinator.

VCE Supervisor Details

All Year 11 and 12 students must nominate a supervisor who will receive and oversee the completion of their School-Assessed Coursework (SACs). Supervisors must be over 18 years old and willing to abide by the rules set by each assessment. Once completed, the supervisor will need to sign an authentication declaration and send the assessment material back to VSV.

Students who are also enrolled at a mainstream school do not need to complete this section. Instead, they must complete the 'Shared enrolments between VSV and another Victorian school' section on page 53.

2021 VCE Subjects Selection

Before selecting your subjects, make sure you read through the Subject Information pages at www.vsv.vic.edu.au/subjects Once you are ready, tick the unit(s) you wish to undertake each semester on the table below. VSV recommends students completing a full-time VCE program select 4 subjects, which equates to 8 units. For example, English Unit 1 and 2 is 2 units or 1 subject. It is recommended that students study both Units 1 and 2. Year 12 students must complete both Units 3 and 4 of a subject. At the bottom of **page 39** write the total number of Units you have selected for each semester.

*VSV recommends you satisfactorily complete Unit 1 before attempting Unit 2 of this subject.

^VSV recommends you satisfactorily complete Units 1 & 2 before attempting Units 3 & 4 of this subject.

¹ Satisfactory completion of Mathematical Methods Units 1 & 2 is recommended before attempting this subject.

² Pre-enrolment Form required. See the relevant Subject Information page at www.vsv.vic.edu.au/subjects to access the form.

³ Complete a letter of recommendation. See Subject Information page at www.vsv.vic.edu.au/subjects to access the pro forma.

⁴ It is recommend that a pathways discussion is held with the Year Level Student Coordinator prior to choosing these subjects.

⁵ Satisfactory completion of General Mathematics Units 1 & 2 is recommended before attempting this subject.

Time commitment: Most VCE studies require students to attend between four and five hours of classes per week per study. This may be scheduled as one session or spread over two or more sessions per week. To support your learning in class, you will be expected to spend an equivalent amount of time on study outside of class.

VCAA Collection Notice for VCE and VCAL Students

Collection of Student Data

In order to perform its statutory functions the VCAA collects student personal information and assessment information (together referred to as Student Data) relating to students enrolled in, or intending to enrol in, the VCE and VCAL assessment programs.

Personal information is defined in section 3 of the *Privacy and Data Protection Act 2014 (Vic)* (PDP Act) and is collected and handled by the VCAA in accordance with that Act.

Student Data is collected by the VCAA for the purposes of generating student final VCE, VCAL and GAT results (Student Results), assuring the quality and integrity of the VCE and VCAL assessment programs and for research purposes related to the VCAA's statutory powers and functions.

Student Data collected by the VCAA includes, but is not limited to the following:

- Name, date of birth and gender
- Contact details
- Aboriginal or Torres Strait Islander (ATSI) status
- Country of origin
- Enrolment details
- School graded assessments and results
- External assessments

In most instances, the VCAA collects Student Data directly from schools, however, it is sometimes necessary to collect Student Data from individual students and/or third parties. When a third party provides an individual's personal information, the VCAA requests that the individual is made aware that their personal and/or health information will be or has been provided to the VCAA; the purpose for which it will be or was provided; and to whom it will be or is likely to be disclosed.

Where the VCAA receives an application for Special Provision, personal and health information within the meaning of the *Health Records Act 2001 (Vic)* will also be collected for the purpose of assessing the student's eligibility to receive Special Provision. For such applications, the way in which the VCAA collects and handles the personal and/or health information will be identified at the point of collection.

Use and Disclosure of Student Data (and Student Results)

Student Data is disclosed to and used by authorised VCAA employees and/or contractors for the abovementioned purposes. Additionally, the VCAA discloses Student Data and/or Student Results for the purposes below. Student personal information collected will not otherwise be used or disclosed by the VCAA, except with the prior consent of the student (or student's parent or guardian where applicable) and in accordance with the PDP Act, or if the VCAA is required or otherwise permitted by law to do so.

Victorian Registration and Qualifications Authority (VRQA)

Student Data and Student Results may be provided to the VRQA in relation to the VRQA's statutory functions in relation to the accreditation, delivery and maintenance of the VCE and VCAL, including the registration of schools and training organisations.

Victorian Electoral Commission (VEC)

The VCAA must comply with notices from the Victorian Electoral Commission (VEC) under section 26(4) of the *Electoral Act 2002 (Vic)* requiring the VCAA to provide information so that the VEC can:

- write to students when they turn 17 years of age to invite them to provisionally enrol to vote;
- provide students with information on enrolling and voting; and
- write to students who are already 18 years of age to advise them to enrol and that failure to do so may result in the VEC commencing enrolment activities in accordance with section 23A of the *Electoral Act 2002 (Vic)*.

International Education Division (IED), Department of Education and Training

The IED has a legal obligation to monitor the progress of international students to ensure they are in a position to complete the course within the expected duration specified on the student's Confirmation of Enrolment (CoE). The VCAA provides IED with student unique identifying number, name, school, VCE Program, and course credits granted.

Season of Excellence (SoE)

The VCAA discloses Student Data of high-achieving VCE students who have been short-listed by VCAA employees for Top Class, Top Talks, Top Arts, Top Screen and Top Designs to SoE panel members for final selection. Panels comprise Chief Assessors and Assessors and State Reviewers, who are engaged by the VCAA, in addition to Victorian school teachers.

De-identified information

The VCAA provides student personal information to Victorian and Australian Government agencies and statutory authorities to assist with forward planning related to education provision and reporting in a de-identified format. This may include information relating to students of Aboriginal and/or Torres Strait Islander origin. The VCAA may also provide de-identified data to external bodies who request data for research purposes.

Consequences if information is not provided

If the personal information requested on VCE and VCAL Student Personal Details Form is not provided, and/or Section A of this Form is not signed, the student may not be accepted for enrolment in the VCE or VCAL.

Access and correction

An individual may request access to personal information the VCAA holds about them and request its correction if inaccurate.

Further information

For further information please refer to the VCAA's Privacy Policy www.vcaa.vic.edu.au/Footer/Pages/Privacy.aspx or contact the VCAA on 1800 134 197.

VCE Student Personal Details 2021

This form is to be completed by all students upon your first enrolment in the Victorian Certificate of Education (VCE) or the Victorian Certificate of Applied Learning (VCAL).

Section A: Declaration

The Victorian Curriculum and Assessment Authority (VCAA) is a statutory authority continued under the *Education and Training Reform Act 2006 (Vic)*. The VCAA is responsible for curriculum, assessment and reporting in year levels Foundation to 12 for all Victorian school students.

All VCE and VCAL students must sign the declaration below in order to be enrolled.

Student declaration: I declare that to the best of my knowledge the information recorded on this form is correct and complete and includes my legal names. I acknowledge that the VCAA accepts no responsibility for verifying the information I have provided.

I acknowledge that:

- a) I will abide by and observe:
 - i) the rules and instructions relating to external assessments, including VCE and the General Achievement Test (GAT); **AND**
 - ii) any rules for school-based assessment, including school rules.
- b) I have received, read and understand the VCAA COLLECTION NOTICE FOR VCE AND VCAL STUDENTS.
- c) My school will provide my results to the VCAA for the purpose of VCE or VCAL assessment.
- d) The VCAA will provide my final VCE or VCAL results and GAT results to my home school, my educational provider if different from my home school, and may provide my results to the relevant school sector organisation.
- e) The VCAA will provide my name, enrolment details and results to the Victorian Tertiary Admissions Centre (VTAC) for:
 - i) inclusion in its password-protected CourseLink database so that I can access my individual career and course options
 - ii) the calculation by VTAC of the Australian Tertiary Admissions Rank (ATAR) and
 - iii) if applicable, submission of my application for tertiary course selection.
- f) The email address I have provided on my enrolment form will be used by the VCAA for future communications with me, including the delivery of VCE results.

Enrolment in Languages Offered by

The Victorian School of Languages (VSL)

If you wish to study a language other than English by Distance Education, please read the information on the following page about the languages available this year at the Victorian School of Languages (VSL), then complete the form below and return it to VSV with your application.

For students who are directly enrolled with VSV, there is no enrolment cost for studying a language with Victorian School of Languages.

Please note: If you were not enrolled for the previous Unit of this subject in 2020 and are unsure about which level is suitable for you, it may be necessary for you to contact the **VSL Distance Education Section** on **9474 0500** or **1800 675 872** for advice on enrolment levels of the language chosen.

Comments

- Year 7 language courses assume little or no previous secondary language study.
- Year 8 language courses are suitable for students who have completed approximately one year of secondary language study.
- Year 9 language courses are suitable for students who have completed approximately two years of secondary language study.
- Year 10 language courses are suitable for students who have completed approximately three years of secondary language study.
- Accelerated Language Courses Level 1 involve a faster moving program for older beginners with little or no previous knowledge of the language. They lead to the Year 9 courses or to Accelerated Language Courses Level 2 and in some VCE languages.
- Accelerated Language Courses Level 2 follow on from Accelerated Language Courses Level 1 to complete a two-year pre-VCE program.
- Certificate in Applied Language courses assume little or no previous language study.
- VCE Unit 1 is suitable for students who have completed approximately four years of secondary language study. VCE Unit 2 follows on from VCE Unit 1.
- VCE Unit 3 follows on from VCE Unit 2. For credit at VCE level it must be combined with VCE Unit 4.
- VCE Unit 4 follows on from VCE Unit 3. For credit at VCE level it must be combined with VCE Unit 3.

Please note: The VSL also offers face-to-face classes in 50 languages in Years F-12 held out of school hours in 32 metropolitan and 9 country/regional centres. For more information visit the VSL website www.vsl.vic.edu.au

2021 Practitioner/Agency Referral Form

Section A: Important information

This form is to be completed by a **specialist practitioner or an agency working with the student** in order to determine a student's eligibility for enrolment with Virtual School Victoria (VSV) and to assist with the development and coordination of learning and support plans. **A Practitioner/Agency Referral Form completed by a General Practitioner (GP) will not be accepted.**

Full-time enrolment at VSV requires the student be withdrawn from the environment of their local school to undertake study through online learning platforms from their family home under the supervision of a parent/carer.

VSV does not receive the DET Program for Students with Disabilities funding.

Enrolment is for the current academic year only. It is expected the student will return to a local school after this time or will be required to reapply for enrolment at VSV.

VSV recognises that an important prerequisite for successful engagement with education is the establishment of effective ongoing treatment and support for health conditions and complex social circumstances. Referral information should demonstrate the student will be receiving **ongoing professional treatment and/or support for their condition/s** and are committed to using these supports.

Students enrolled at Virtual School Victoria require supervision by a parent or carer. Supervisors are required to perform a range of duties including:

- facilitating communication between the student and teachers
- ensuring age appropriate adult supervision of the student
- engaging with material provided by VSV both in a written and verbal format
- ensuring that the student has access to a telephone, computer and suitable work area
- supporting the student to engage and participate in the learning program and the wider school community
- ensuring the student submits work in accordance with the prescribed or negotiated submission timetable.

2021 School Referral Form

Section A: Important information

This form is to be completed by the **student's most recent school** in order to determine a student's eligibility for enrolment with Virtual School Victoria (VSV). Please see **page 10** for further information on eligibility requirements.

VSV recognises that a shared enrolment is often a viable option to provide a strong framework for sustaining wellbeing supports and learning outcomes for students. For further information, please see **page 53**.

Full-time enrolment at VSV requires the student be withdrawn from the environment of your school and its learning and support systems, to undertake study through online learning platforms from their family home under the supervision of a parent/carer.

Enrolment is for the current academic year only. It is expected the student will return to a local school after this time or will be required to re-apply for enrolment at VSV. VSV does not receive the DET Program for Students with Disabilities funding. Students enrolled at Virtual School Victoria require supervision by a parent or carer. Supervisors are required to perform a range of duties including:

- facilitating communication between the student and teachers
- ensuring age appropriate adult supervision of the student
- engaging with material provided by VSV both in a written and verbal format
- ensuring that the student has access to a telephone, computer and suitable work area
- supporting the student to engage and participate in the learning program and the wider school community
- ensuring the student submits work in accordance with the prescribed or negotiated submission timetable.

Shared Enrolments

Between VSV and another Victorian School

In some instances, it may be appropriate and beneficial for students to have their personalised learning and support program split between VSV and a mainstream Victorian school. **This is only possible if the mainstream school agrees to this shared enrolment and nominates a staff member from that school as their VSV supervisor.**

Shared enrolments can provide students with the opportunity to access learning assistance and health/social supports delivered through local schools. It can offer connection to peers and participation in school community activities.

Supervisors of students completing VCE studies will oversee and administer the completion of student SACs and/or Graded Tasks at the school, abiding by the rules set for each assessment. Once completed, the supervisor will need to sign an authentication declaration and send the assessment material back to VSV.

Before submitting this application, a meeting should be arranged with the mainstream school. An appropriate personalised learning and support program should be negotiated, and process for implementation and monitoring agreed. The agreed subjects that will be completed at the mainstream school should be noted below.

What other school will the student be enrolled with while also enrolled at VSV?
