

2023 Year 8 Subjects

Once your enrolment has been processed, you will be contacted by your **Learning Advisor**. Your Learning Advisor will work with you for the rest of the year. Your Learning Advisor will begin with an intake interview and help you to complete Launch Pad (orientation/assessment). Following that, your Learning Advisor will work with you to establish a subject load that suits you.

If you have particular needs, please complete the 'Requested modifications to a full-time learning program' box below and your Learning Advisor will be in touch after your enrolment to discuss this with you. Ensure you have read page 5 VSV's advice regarding students on reduced loads.

In Year 8, students participate in regular timetabled online classes, including a social emotional learning program. Online attendance is an expectation. If this is not possible due to personal circumstances, an exemption must be arranged with the Year 8 Student Coordinator.
