Placement Appeals

Virtual School Victoria has a proactive and supportive approach to the enrolment of students. In the first instance, parents or carers should lodge a written appeal with the school when the student has been unsuccessful in gaining a placement. All appeals will be considered on an individual case by case basis. If this appeal is unsuccessful and parents or carers are not satisfied that their appeal has been adequately considered, they are able to escalate the appeal to the relevant regional director. Appeals to the regional director are considered using Virtual School Victoria's enrolment policy, eligibility guidelines and enrolment timelines (including closing dates). Regional office contact details and locations are on the Department of Education and Training's website, visit: www.vic.gov.au/office-locations-department-education-and-training

What will happen once an application is submitted?

Step 1 – Reviewing and confirming your enrolment

Once an enrolment application has been submitted, it will be reviewed by our Enrolment Officers in order to ensure that the application form has been completed in full, and that both the Student Enrolment Agreement and School Principal Endorsement have been included. We will also ensure we have the staffing capacity to offer the subjects selected.

Step 2 – Providing online access

Once the student's details are entered onto our system, it takes another 48 hours for an enrolment confirmation to be emailed. This will be sent out to all email addresses indicated on the application. This will include the student's login details to access VSV Online.
