VIRTUAL SCHOOL VICTORIA

2027 Resource List – Year 10

Resource list by year level - www.vsv.vic.edu.au/enrolment/book-resource-lists/

Requirements for all students
All students enrolling at Virtual School Victoria require regular and reliable use of a computer/device that has a camera and a microphone and access to the internet. It is also recommended that they have a device with a physical keyboard to easily take notes and respond to communication. A smartphone, tablet or Chromebook alone is not sufficient to meet the needs of student online learning.

Where possible, it is recommended that more than one device is available if more than one child in the same family is enrolled at VSV.

For a full list of minimum technical specifications, please see www.vsv.vic.edu.au/enrolment/technical-requirements-specifications/

Will textbooks need to be purchased?
Alongside the materials developed by VSV, certain subjects require textbooks and additional resources. Some of our subjects require either digital or physical textbooks and/or other resources to be purchased. Required texts and other resources can be purchased from VSV's recommended textbook supplier, **Campion Education**.
